PANORAMA WELLNESS RESORT ★★★★★

SUMMER 2025

YOUR WONDERFUL PLACE
in the Dolomites

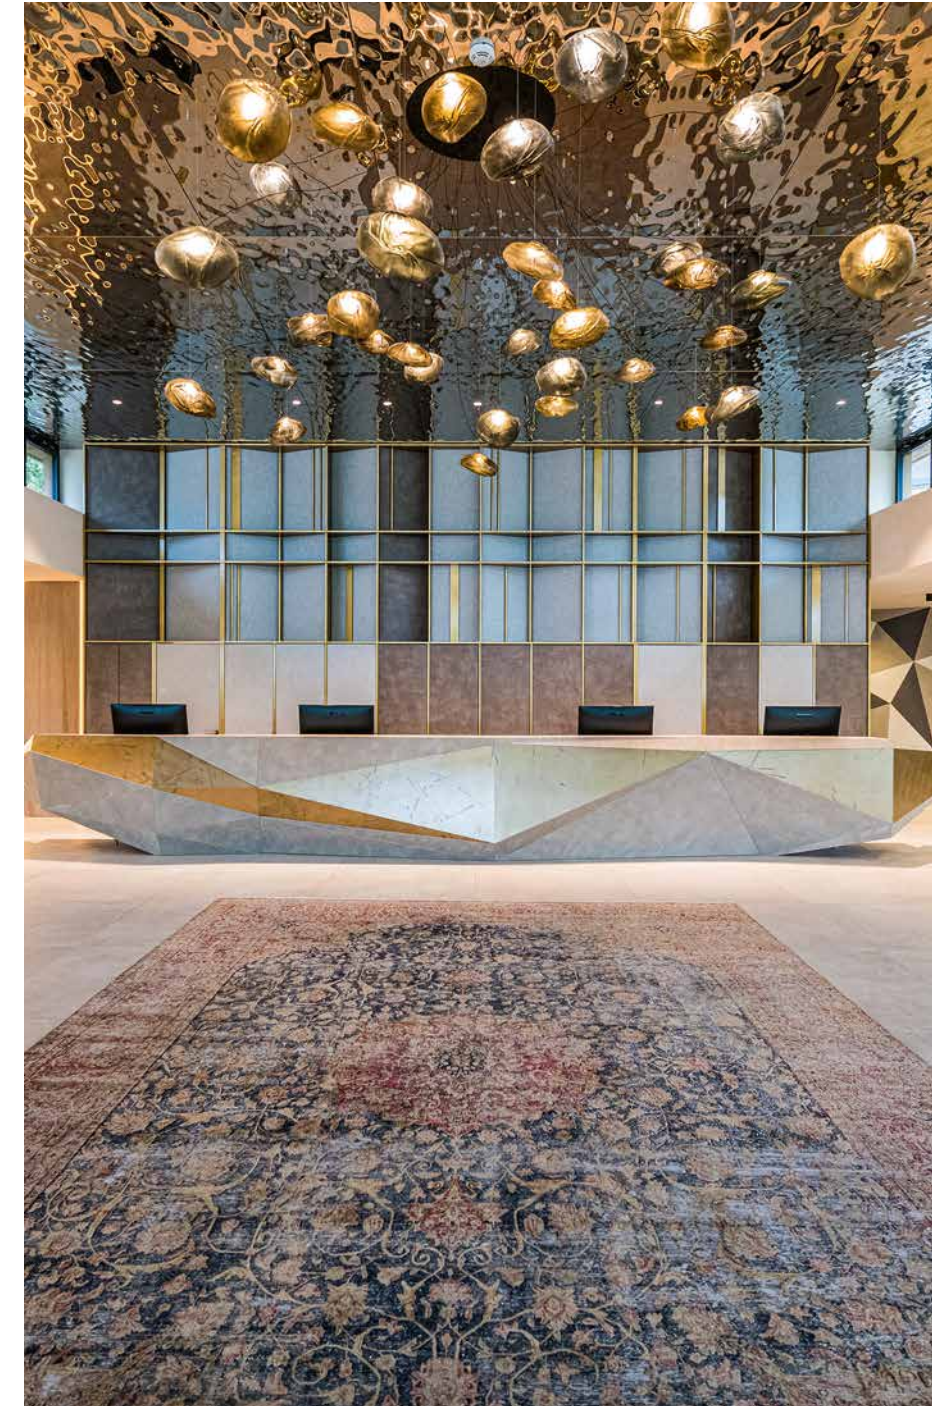

Spectacle of nature: the Dolomites

There are places that touch the soul. Places where time moves more slowly because every moment matters. The Dolomites are such a place. Majestic peaks rise into the sky, while the landscape transforms in the sunlight, revealing ever-changing hues – soft in the morning, radiant at midday, mystical at dusk.

Amidst this extraordinary setting lies our Alpen Tesitin – a retreat where nature takes centre stage, and life feels lighter.

A place to dream. A place to be.

Katja & Hannes, Patrick with Elisa, Paul & Sophia
and the Alpen Tesitin Team

Simply me. Simply be.

The day begins gently as nature unfolds in all its splendour. The crisp mountain air invigorates the senses, the panorama broadens the horizon – a feeling of freedom that lingers.

Whether relaxing on a sun lounger, conquering a peak high in the Dolomites, or enjoying a refreshing drink in hand – here, time is not what counts, but the experience itself. Moments that remain. Days that linger. A place that indulges both body and mind.

We look forward to sharing this special place with you.

What our guests say about us

Thank you for the most memorable stay of our lives!

We love this place and 100% will be back!

Love,

Benjamin & Li Anne

When cooking becomes art

Every composition needs an artist. Every creation an idea. True masterpieces are created in our kitchen - with passion, skill and lots of creativity.

Together with his team, our head chef Michael combines flavours like an artist blends colours: with a sense of harmony, a daring touch of contrast, and ingredients that, like delicate brush strokes, bring the canvas to life. Alpine meets Mediterranean, tradition meets sophistication – a culinary interplay of flavours, with the tongue and palate as the playground.

Cuisine that excites. Indulgence that touches all the senses.
