SUMMER 2023

DREAM DAYS  
at Alpen Tesitin

## Home is where the heart is

We all know them, those places that captivate and enchant us from the very beginning ... and we never really want to leave them.

You will find such a place with us here at the Alpen Tesitin, when your gaze gently wanders over the wide panorama of meadows and forests lined with colourful flowers to the imposing rock formations of the Dolomite peaks. Because upon seeing the mountains glow fire-red, bathed in the last rays of the setting sun, you will understand: **that is how it feels when the heart finds its home.**
